

# WHERE WE LIVE

Towns and cities have different neighbourhoods.

All towns and cities have public services. Public services are for everyone to use.

A town is part of a province. Spain has 50 provinces.

OUR PROVINCE IS HUESCA.

OUR TOWN IS JACA

In each province there is a local government, made up of a mayor and local politicians.

THE MAYOR OF JACA IS JUAN MANUEL RAMÓN

The mayor and politicians work at the town hall.

THE TOWN HALL IS IN MAYOR STREET.

We choose the mayor and politicians by voting for them in local elections.

**MUNICIPAL ELECTIONS IN JACA WERE HELD ON MAY.**
