My Crazy Dream

I don't know why, but I went to school in my underwear. Everyone was laughing! I walked up and down the hall looking for my classroom, but I could never find it. Then I went to the Lost and Found box and put on some clothes. I heard my principal say, "Son, are you lost?" However, when I turned around, it was the President of the United States talking to me. He asked me to fly on his jet with him. As we were flying, I looked out the window and saw a pterodactyl flying next to us! How could that be? They are extinct! It smiled and waved good-bye. Then all of a sudden, the airplane turned into a roller coaster. It climbed upward a million miles, then down we went! For hours and hours we just kept going straight down! The roller coaster finally came to a stop, and I was on an island made entirely of chocolate. I ate a whole tree made of fudge! Then someone sneaked up behind me and captured me. He put me in a pot of boiling water to make soup out of me. I got hotter and hotter and hotter! Finally, I woke up and realized I had fallen asleep with my electric blanket on high.
