YOUR INVENTION FACT SHEET

Read pages 126 and 127 of your Natural Science book to invent the technical sheet of your machine. ****Lee las páginas 126 y 127 de tu libro de Natural Science para crear la ficha técnica de tu invento.**

(Teacher's example)

- Energy source: Electric batteries (solar energy). Pedals for your legs (kinetic energy).
- Energy label efficiency: A++
- Function: mechanical
- Simple machines included:

- Wheel and axle  : the machine has three wheels

- Screws  : The machine has a lot of screws.
- Pulleys: the machine has one pulley on the brake (**freno**).

- Gears  : The machine has gears on the engine (**motor**).

- Mechanical working

My machine works with gears, wheels, axles and a pulley.

- Technological advances
 - Easy housework ****facilita las tareas domésticas**
 - Energy- saving ****ahorro de energía**

Now it is your turn think on **** Ahora es tu turno, piensa en tu invento:**

- Energy source:
- Energy label efficiency:
- Function:
- Simple machines included:
- How it works:
- Technological advances:
