Happier - Marshmello ft. Bastille

<https://youtu.be/m7Bc3pLyij0>

Lately, I've been, I've been thinking
I want you to be happier, I want you to be happier
When the morning comes
When we see what we've become
In the cold light of day we're a flame in the wind
Not the fire that we've begun
Every argument, every word we can't take back
'Cause with the all that has happened
I think that we both know the way that this story ends
Then only for a minute
I want to change my mind
'Cause this just don't feel right to me
I wanna raise your spirits
I want to see you smile but
Know that means I'll have to leave
Know that means I'll have to leave....

Paradise- Coldplay

When she was just a girl she expected the world
 But it flew away from her reach
 So she ran away in her sleep and dreamed of
 Para-para-paradise, para-para-paradise, para-
 para-paradise
 Every time she closed her eyes

When she was just a girl she expected the world
 But it flew away from her reach and the bullets catch in her teeth
 Life goes on, it gets so heavy
 The wheel breaks the butterfly every tear a waterfall
 In the night the stormy night she'll close her eyes
 In the night the stormy night away she'd fly

And dream of para-para-paradise
 Para-para-paradise
 Para-para-paradise

She'd dream of para-para-paradise
 Para-para-paradise
 Para-para-paradise
