

## POPULAR GAMES

---

Ask your relative about a popular game he/she played as a child. Explain how to play.

*\*\* Pregunta a tu familiar sobre un juego popular que él/ella haya jugado de pequeño/a y explica brevemente como se juega.*

Look at the example:

### **E.G.: Marbles**

**MATERIALS:** Colored marbles

**PLAYERS:** From two players

**RULES:** There are different games with marbles. I am going to tell a simple one that my grandfather has explained to me.

1. We draw a circle or a tiny hole on the floor. Each player leaves 5 marbles or even more inside the circle.
2. We draw a line at a distance of about 3 meters. Players throw the marbles from that line.
3. The marbles are thrown towards the circle and the marbles are collected from the opponents that we managed to get out of the circle
4. The winner will be the one who manages to remove all the marbles from the opponent.
