

Class 5<sup>o</sup>A

3 San Jose de Calasanz

22700 Jaca (Huesca)

Friday 23<sup>th</sup> of October of 2015

- He fourth graders.

We are Oscar, Abraham, Irene, Pelayo and Itzel.

We the 8<sup>th</sup> graders, and we are going to your class to presents many projects of Natural Science.

We are going to explain you the systems of the body. It's going to be so funny!!!

We do it with different materials like plasticine, cardboard straws and balloons. Before saying you the materials we are going to ask you about them.

Bye, have a nice day and we hope you enjoy the class and our projects. Bye Bye
