Friday - 23 - OCT - 15

Hi fourth graders,

How are you? We are in 5th grade and our teachers are Amanda and Jennay for Literacy, and Cristina for Natural and Social sciences.

We are going to your class to do a presentation of different systems our body.

What are you doing in English? Is it interesting?

Who are your teachers of English? Are you happy with them? We are happy because we are going to your class!

So we have to stop writing you because we have to work in class.

I love you like this letter.

Hugs and kisses 5th grade

Julia
