

## Spain Facts | Geography

Spain lies on the Iberian Peninsula. The country borders the Mediterranean Sea in the South and East and the Atlantic Ocean in the Northwest. Spain is the fourth largest country in Europe after Russia, Ukraine and France.

In the North, the Pyrenees mountain ranges are forming a natural border with the tiny country Andorra and with France. To the west of Spain is Portugal.

Spain is a bit slightly larger than twice the size of the United Kingdom and about twice the size of Oregon. Spain borders the countries Portugal, Andorra, France, Gibraltar (which is a British Overseas Territory). Spain also shares borders with Morocco, as the two Spanish enclaves (Spanish territories) Ceuta and Melilla are located within Morocco.
