

TAREA 10: Secondary sector. Tienen que leer las páginas 72 y 73 del libro de Social Science, ver este vídeo <https://www.youtube.com/watch?v=LyT8NG5EaG8> y hacer los ejercicios que aquí ponemos.

*Pueden escuchar el texto en el libro digital (Social Science) con las claves que os hemos mandado.

1. Investigate to find 2 enterprises of each type. I give you an example of each.

ENERGY INDUSTRIES	BASE INDUSTRIES	CAPITAL GOODS INDUSTRIES	CONSUMER GOODS INDUSTRIES	CONSTRUCTION INDUSTRIES
Redexis gas	UNDESA	Faurecia asientos	Volkswagen	ACS

2. Which secondary sector activities (energy i, base i, capital goods i, consumer goods i, construction i) provide us with these products?

- furniture
- clothes
- processed food
- bridges
- roads
- electricity

3. What is a craft worker? Where do they sell their products? Do you have anything at home created by a craft worker?
